C-SPACE book review

C= Characters

S= Setting - place and time

P= Plot

A= Actions

1.
2.
3.

C= Conclusion

E= Edited book review for presentation to other groups

- Each member of the group will “take notes” as one member of the group reads the story aloud.
- Assign each group member a component of the story to track. You may have more than one person tracking the 3 main “actions”
- Select someone from the group to present the final book report to the other groups.
